

# Announcing... eResources for ADD Math and Daily Science...

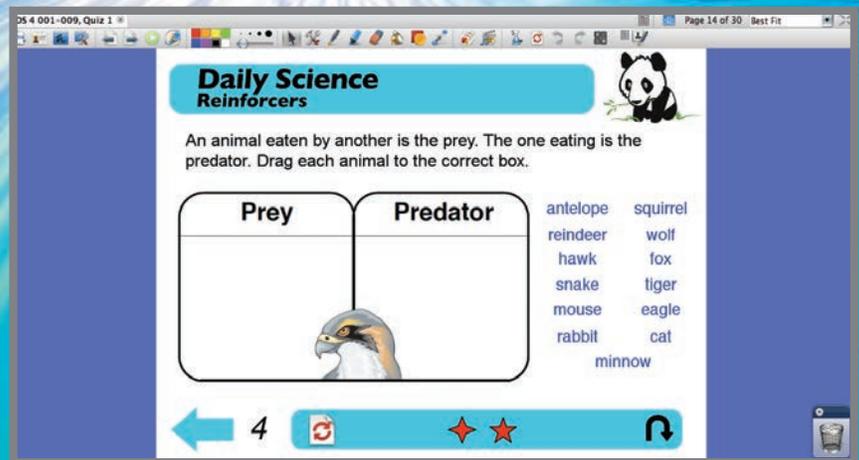

for use with interactive whiteboards, classroom projection systems, and individual computers

Grade 3 Skill Section Sample

Our new eResources for ADD Math and Daily Science have these features:

- grade level **CD-ROM versions** providing virtual flipcharts for each activity
- **bright and colorful screen projections** with ample work space that will totally engage your students
- **daily activity strips** with segmented screen images where teachers can focus the class on the entire daily strip or its individual parts

Grade 4 Activity "B" Sample

- **easy-to-use system operation**, allowing teachers to effortlessly choose any given activity, as well as print the daily exercises or periodic assessments

**Our New eResources: Technologically Advanced Core Academic Programs for the 21st Century Classroom**

**GRØW Publications' Daily Reinforcers**  
Order Online: [www.growpub.com](http://www.growpub.com) or call 800-594-7136
